

Changing your Job Announcement Email Notification Criteria

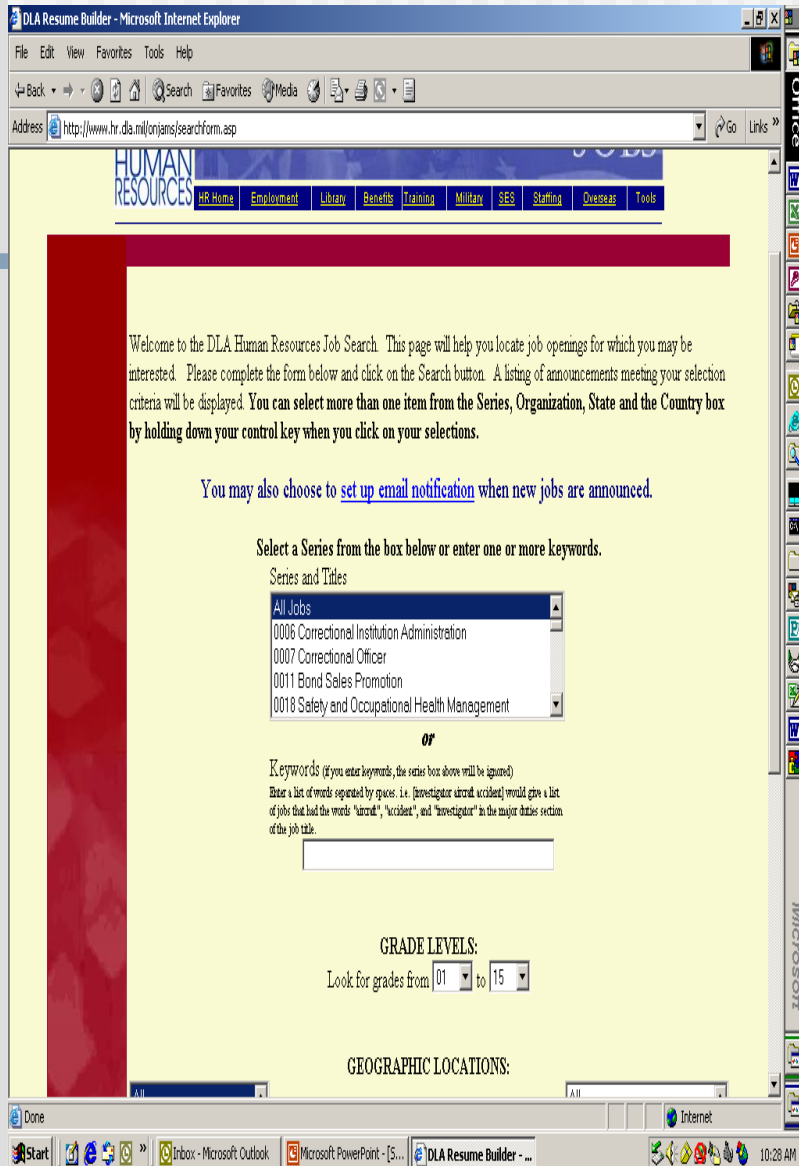

Changing Your Email Notification Criteria

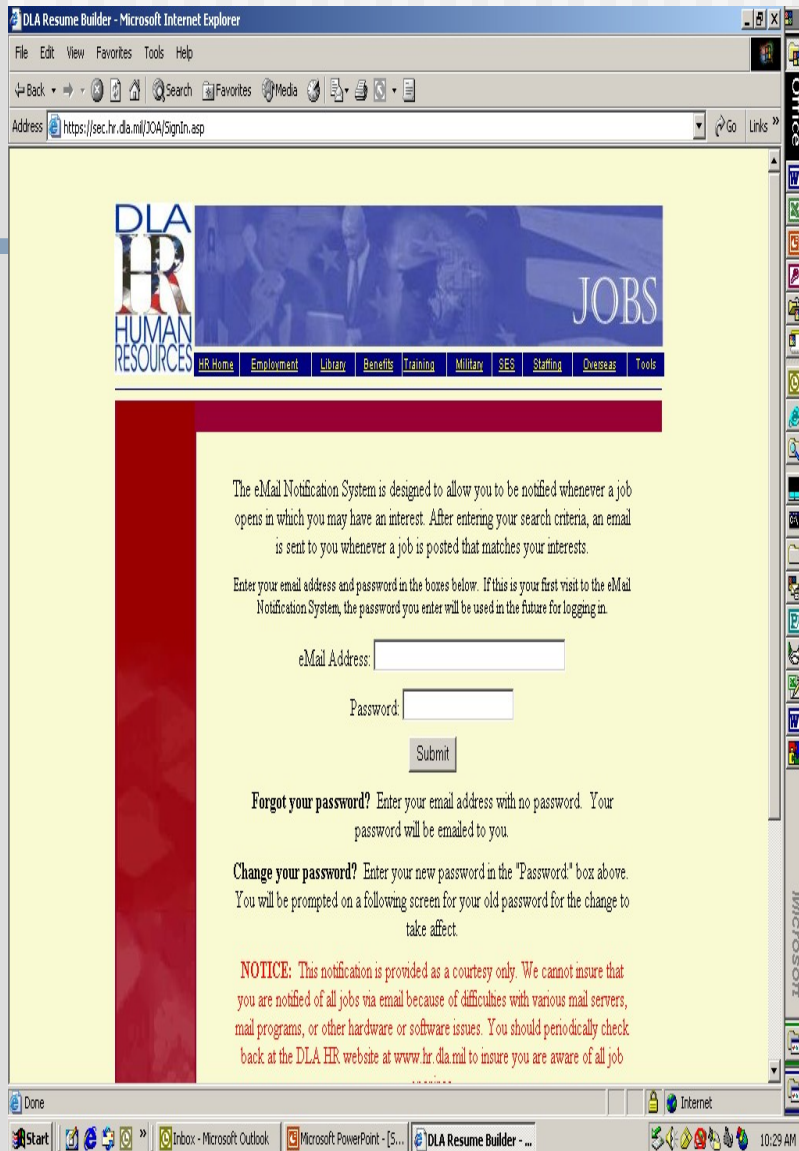

- If you later need to change the criteria for your email notification, click on the link for the Job Announcement Search tool at www.hr.dla.mil.

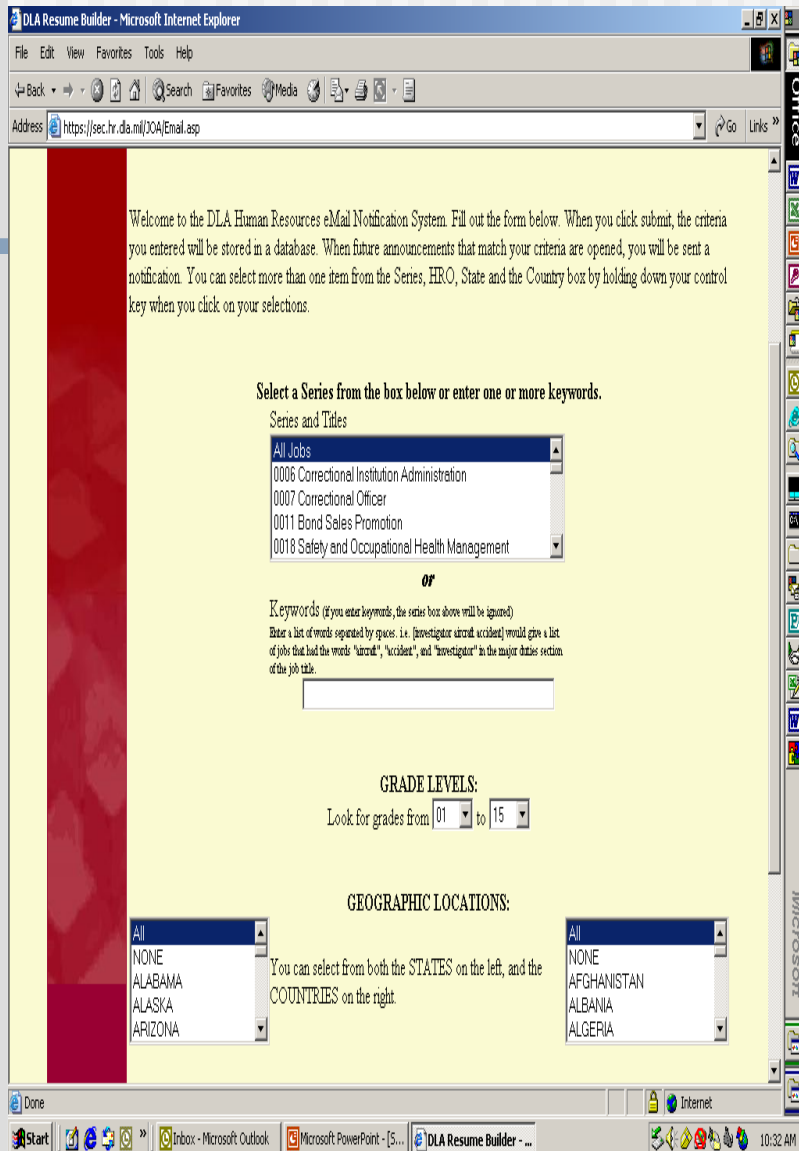

- Click on the Job Opportunity Announcement (JOA) Search Page link

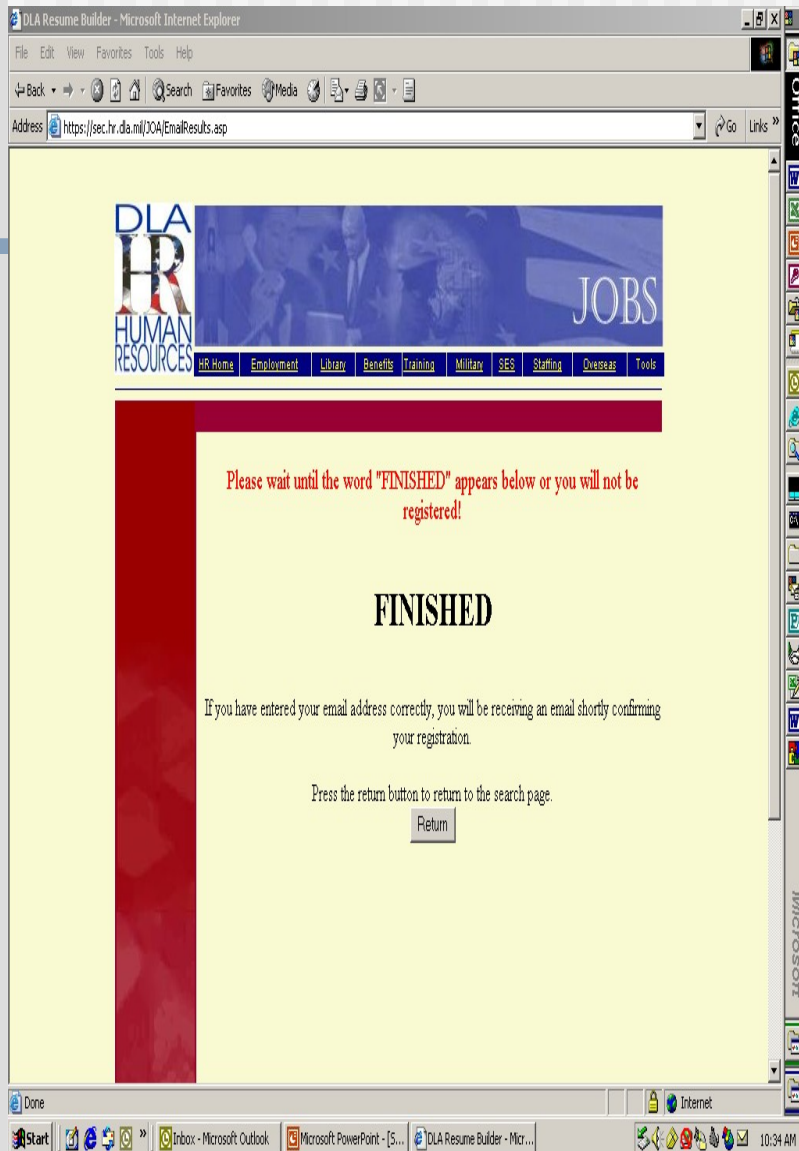

- Click on the set up email notification link

- Enter your email address and your password.

- Enter the new criteria and click on the “Search” button located at the bottom of the page.

- You will receive an email confirming the criteria you selected and you will begin receiving announcements matching your new criteria.
